One Year Experienced React Development Professional Armed with Hands on Experience in Designing and Deploying Highly Responsive User Interface Components by using React Concepts. Proficient in Converting figma designs into High Quality Codes to Build Application Interface via React Workflows.

Development Skills with HTML5, CSS3, Sass, Bootstrap, Material UI, JavaScript (ES6) and JSON.Experience in using Redux to manage the application state and applying middleware such as redux-thunk.Great Experience in Version Control Tools Git

### PROJECTS WORKED

#### ● REVIEW MY BOSS

- Used media query with styled components for responsive screen design  
Used useContext for state management.
- Used Chrome developer tool for debugging the application.
- Used React Router for routing the Redux app to connect Redux and React to support routes. Responsible for design and development of web pages from Figma.
- Followed 100% compliance to agile process and used smart commits with JIRA and Git pull request process to deliver quality code.

#### ●MERCHANTRADE MONEY

- Developed entered products module with React JS and used Antd Design throughout the application.
- Used Redux along with thunk middleware for State Management Tools.
- Used Git for code commit and followed Agile practices. Extensively used prettier and Eslint for code formatting

### EXPERIENCE

DORUSTREE PRIVATE LIMITED -TRICHY

1 Year

### EDUCATION

#### B.SC COMPUTER SCIENCE

Sri Lakshmi College Of Arts And Science,  
Kallakurichi

2018 - 2021

#### HSC

Well Done Matric Hr. Sec. School,  
V.Kootroad

2016 - 2018

### TECHNICAL SKILLS

- React Js
- Javascript
- HTML5/CSS3
- Git and GitHub

### PROFESSIONAL SKILLS

- Team work
- Communication
- Agile Methodology
- Problem Solving
